Ellis-Gardening Newsletter

The Ellis County Master Gardeners welcome you to join us for monthly tips, featured flowers, reprints of our KBEC radio spots and weekly articles from the *Waxahachie Daily Light*, horticultural articles written by our members, monthly things to do in your garden, gardening and horticultural "recipes" using fruits and vegetables from our gardens, as well as decorations using things around our property and home will be featured in our new publication.

Feel free to read the newsletter online on this website, or have it delivered to your email address by clicking on "Subscribe to Ellis-Gardening Newsletter" and providing your email address.

The Ellis-Gardening Newsletter is a monthly publication provided to you by the Ellis County Master Gardener Association.
